

2022 School Charges and Voluntary Contributions

The School Education Regulations 2000 requires schools to notify parents of all contribution and charges prior to the start of the school year. These costs are divided into three areas: Voluntary Contributions, Personal Use Items, Charges and Other Optional Costs.

The Treeby Primary School Steering Committee has endorsed the following schedule of School Charges for 2022.

Voluntary Contributions

Financial support provided by parents plays a significant role in the provision of resources that extend the school's capacity to add value to students' learning experiences. The continued partnership between schools and parents is vital to ensuring that all students receive a level of education sufficient to carry them forward in today's society.

Contributions are voluntary; however, the quality of our teaching and learning programs will be maximised when families make a contribution to supplement funding gained from other sources, including the State and Federal governments. The total amount of voluntary contributions parents and carers are being asked to pay is the \$60 maximum set in the School Education Regulations 2000. At Treeby Primary School, the voluntary contributions will be used to purchase supplementary materials and resources used in classrooms as detailed below:

2022 Voluntary Contributions	Amount
Numeracy	\$15.00
Literacy	\$15.00
ICT	\$15.00
Physical Education	\$ 7.50
Art	\$ 7.50
TOTAL CONTRIBUTION (per student)	\$60.00

Other voluntary approved requests are outlined below. The Library Contribution will be used to purchase a collection of quality literature and information texts for our students. The Literacy Contribution will be used to purchase a licence for your student to access Literacy Pro as part of the Literacy program. The P&C Contribution is administered by the P&C and will be used to support school initiatives and focus areas that meet the needs of our students.

2022 Voluntary Approved Request	Amount
Library Contribution (per student)	\$20.00
Literacy Contribution (Year 3-6 only)	\$14.00
P&C Contribution (per student)	\$10.00

Personal Use Items

The recommended list of items for personal use is available on our website. These items can be purchased through the nominated school supplier who has provided quality items at competitive prices and online ordering options for your convenience. The school does not receive any commission for orders placed through the nominated supplier. Using the school's preferred suppliers will also ensure that your child has the correct items.

Alternatively, all personal use items can be purchased from a supplier of your choice.
